

DPhil Seminars

The Evolution of Hedge Fund Research

Dates:

Thursday 18th July 2013, 2.00pm – 3.30pm

Thursday 25th July 2013, 2.00pm – 3.30pm

Location:

AHL Lecture Theatre, 3rd Floor, Oxford-Man Institute, Eagle House,
Walton Well Road, Oxford OX2 6ED

Lecturer:

Professor Narayan Naik (LBS)

Oxford-Man Institute Visiting Man Chair

Course Overview:

In these seminars Professor Narayan Naik will explore how research in the area of hedge funds started in the late nineties, moving through the evolution of his own hedge fund research agenda over past 15 years including exploration of the research issues he is currently working on.

This event is open to University of Oxford Postgraduate students. Please bring your University card with you to access the building.
